

## *.357 Magnum JHP*

### *10,2 g / 158 gr*

*Traditional revolver ammunition with high reliability. Cost effective CIP-approved versatile round.*

*Preserves the weapon's service life. Notable for its highly effective terminal ballistics.*

#### **Application:**

*Excellent choice for home defense, hunting and for target shooting. Also known as: .357 Smith & Wesson Magnum, .357 S&W Magnum, .357 Magnum, or 9×33mmR as its unofficial metric designation. This cartridge started the "Magnum era" of handgun ammunition.*

All components are produced to perform seamlessly together for perfect functioning in all common types of weapons.
