

Cases

Excellent choice for loading/reloading ammunition for private persons and shooting clubs. Please contact our resellers or directly us: info@mfsammunition.com .

Application

Besides projectiles of the most commonly used calibers for defense and law enforcement (5.56mm, 7.62mm and 9mm) MFS also manufactures a large variety of other pistol and revolver projectiles.

All components are produced to perform seamlessly together for perfect functioning in all common types of weapons.
